IRISH MURDER.

OFFICIAL WEEKLY LIST SHOWS BIG INCREASE.

A SINISTER FEATURE.

LONDON, March 4.
The official weekly review of Irish conditions states that there were 32 casualties to the Crown Forces during the week ending February 26 as compared with eleven the previous week. A sinister feature is the cold-blooded assassinations of individuals. Five police and five soldiers were murdered during the week ending February 26, besides five soldiers murdered in Cork on February 28. Except two police, all the murdered men were unarmed, and the five soldiers were murdered after they had been taken prisoner. Two civilians were also assassinated on the ground that they were alleged to have communicated with police or military. Internment orders numbering 136 were made. There are now over 2,600 persons interned.

CHINA'S PROBLEM.

HOW TO DIVERT MONEY FROM MILITARY TO CIVIL CHANNELS.

INTERNAL TROUBLES EXAGGERATED.

LONDON, March 4.
Interviewed by the *Pall Mall Gazette*, Mr. Wellington Koo emphasised that the great problem of China was to divert money from military into civil channels. If the army were reduced to a strength sufficient for police purposes large sums would be released for education, sanitation, and economic development. Mr. Koo declared that the internal troubles in China were much exaggerated. Political difficulties were being adjusted. If the Chinese were left to work out their own salvation they would undoubtedly soon adjust their troubles.

LEAGUE OF NATIONS.

AUTHORITY AND PRESTIGE ESTABLISHED.

SWISS INCIDENT CLOSED.

PARIS, March 4.
Before the termination of the session of the council of the League, the Swiss incident regarding the transit of troops for the Vilna plebiscite was closed by the Swiss delegate, on behalf of his Government, acknowledging the moral duty of members of the League to support the Council's recommendations. Mr. Da Cunha, the President, in a closing speech, dwelt on the authority and prestige of the League which had convinced the incredulous, and endorsed Mr. Lloyd George's opinion that the existence of the League in 1914 would have made war impossible.

CUSTOMS CONFERENCE.

UNIFORM EMPIRE DECLARATION FORMS.

LONDON, March 4.
The imperial customs conference is proceeding very satisfactorily and has reached virtual agreement in the main objects of drawing up a single form for declaration of values for duty purposes, and a form of certificate of origin, applicable to all parts of the Empire, thus avoiding the separate and distinct certificates at present required by the different customs authorities.

LONDON, March 4.

AMERICAN SUBMARINES ASHORE.

LONDON, March 4.
The United States submarines E7 and O8 are ashore, the one in Long Island Sound and the other in Buzzards Bay, Massachusetts. Attempts to tow them off have hitherto failed.

REPARATIONS DEMANDS.

LLOYD GEORGE'S SPEECH CAUSES UPROAR IN REICHSTAG.

NEWSPAPER DEFIANCE.

BERLIN, March 5.
In the Reichstag an attempt by Herr Loebe, the President, to read Mr. Lloyd George's speech as regards reparations provoked very stormy scenes. The Communist, Herr Hoffman endeavouring to speak was assailed with shouts of "Throw him out!" At Herr Hoffman's request Herr Loebe read the rest of the speech which produced a storm of unparliamentary epithets whereupon the Chamber adjourned.

FRENCH SATISFIED.

LONDON, March 4.
The French Press greatly eulogises Mr. Lloyd George's speech which it is pointed out is most opportune on the eve of the inauguration of the new American President, as it makes clear that the Allies are united in imposing penalties on Germany. There are signs that the Germans are very perturbed at the Allied firmness, some Berlin newspapers pointing out that the German counter proposals were in no way an ultimatum but merely a suggestion, though the Berlin *Tagblatt* defiantly declares that the Allies demands are impossible and should again be rejected. The *Ackkur-Bendblatt* suggests that a fresh proposal may be made perhaps from a third side. The German Cabinet discussed Mr. Lloyd George's speech till late last night but apparently the only opinion expressed was regret at the penalties, which it was declared, if imposed, would find Germany defenceless and would infringe the Versailles Treaty.

FRENCH WARSHIP RUMOUR DENIED.

PARIS, March 4.
The Ministry of Marine denies the report with regard to the dreadnaughts "Paris" and "France" (mentioned in our earlier cables).

ALLIES AND GERMAN.

LONDON, March 4th.
It is universally agreed that yesterday's sitting of the conference at St. James' Palace was historic in importance and vied in solemnity with the first appearance of the German delegation at Versailles after the Armistice.
It is no exaggeration to say that the Prime Minister's brilliant and forcible speech made a deep impression on the occasion. The Allied statesmen in London, particularly the French, are enthusiastic over the strength, tact and political acumen exhibited in Mr. Lloyd George's speech. The papers of all shades of opinion shower praise on the speech and describe it as inspired by a deep moral earnestness, which marked his war eloquence at its best.
The situation, now, is one of great gravity, but it is confidently believed that the German Government is alive to the seriousness of the position and will advance more sensible proposals on Monday, which may afford a basis of discussion and avert putting into execution the Allied threats. The feeling that a peaceful solution will be reached is reflected on the Bourse in Berlin, where after Mr. Lloyd George's speech was published the market was firm and prices generally advanced, owing to the impression that the Allies did not intend abruptly to break off negotiations.
In the meantime, the German Cabinet met to discuss the ultimatum.
The *Morning Post* understands that the Allies, after talking their legal experts, decided that if the application of the sanctions is necessary this can be done immediately, instead of on May 1st.

PARIS, March 4th.
The French Western Mediterranean Squadron is refitting at Toulon. It is reported that the dreadnaughts *Paris* and *France* have been ordered to hold themselves in readiness to leave for the North Sea to co-operate with the British Fleet in any naval operations which may be contemplated.

RISINGS IN RUSSIA.

LONDON, March 4th.
A wireless message from Moscow makes the first mention of an anti-Bolshevik mutiny at Petrograd, led by General Kozlovski, and on the ship *Petrovsk*. The outbreak, as a matter of form, is attributed to Entente machinations.
It is reported from Stockholm that troops summoned from the North to Petrograd, apparently, got the upper hand and the seamen back to their ships and the workmen to the factories. Artillery swept the streets on March 2nd, and suppressed all opposition.
In the meanwhile, it is stated that the revolt is spreading throughout the country. Peasants are resisting the seizure of their corn and compulsory wood-hewing for the railways. The President of the Soviet Committee admits that riots have taken place.
LONDON, March 4th.
Anti-Bolshevik risings in Russia are now admitted. "A Moscow wireless message says: 'There is no doubt that the mutiny of General Kozlovski and on the ship *Petrovsk* was prepared by the Entente spies, like the former White Guard mutinies. It is clear that the Kronstadt revolt was directed from Paris. It will be rapidly liquidated.' The Entente, undoubtedly, spread their nets not at Kronstadt alone. It is the task of the Red Guards to destroy the nets."

AMERICAN FEDERATION OF LABOUR.

LONDON, March 4th.
The Executive Council of the American Federation of Labour has decided on the severance of relations with the International Federation of Trade Unions of Europe owing to the latter's "revolutionary activities" and failure to recognise the national autonomy of the trade union centres in various countries.

UNKNOWN WARRIORS.

WASHINGTON, March 4th.
The House of Representatives has passed a resolution authorizing the conferment of a Congressional Medal of Honor on the "Unknown British and French Warriors" buried in Westminster Abbey and under the Arc de Triomphe, respectively.

CHILDREN'S CORNER.

My dear Children and Grown-Ups too.

A week or two ago I asked anyone

who felt like it to send me a riddle-

me-ree. I have received a long one

signed by "Constant Reader" but

Non-Competitor" which as you will

probably guess too, sounds like a

Grown-Up.

I wonder how many Grown-Ups

read this Corner? I should rather

like to know.

So I am printing the riddle-me-ree

this week and will you all try and

guess it? Send the answer to "Peter

Pan, c/o The China Mail/Editor,"

before **Wednesday, March 9.** Sign it

with your full name and put **Grown-Up**

or **Not Grown-Up**, whichever you may

be. Then I shall put all the answers

in a hat (these things always have

to be done with a hat you know)

and the first correct one which I

draw will have a prize. And a very

nice prize too. Only you must be

sure and put your full name and

"Grown-Up" or "Not Grown-Up"

because I do not want to give a

"Grown-Up" a book of nursery

rhymes or a very small person "The Life

of Napoleon" or something stodgey

like that.

And now set to work all of you

and puzzle it out!

Your loving,

PETER PAN.

OPEN CHAMPIONSHIPS.

Three matches were played yesterday in the open tournaments at the Hongkong Cricket Club. These were—

Singles—Wong Po Keung v. Yew Man Tsun.

Doubles—Ng Sze Kwong and Choa Man Ping v. H. Krebs and E. E. Brown; and J. R. Wood and G. R. Sayer, v. G. M. Dodwell, and J. M. Wier.

The singles match attracted little attention until the first of the two doubles had been finished, and the umpire was almost the only spectator for a while. Most of the play consisted of baseline rallies with an occasional journey to the net, where neither player seemed particularly comfortable. Yew has no smash and Wong seemed to think the effort not worth while. The exchanges seemed fairly even, but Wong was the surer. He was not hitting hard in this match, but his steadiness compensated for this. Yew lacks a certain killing power which would enable him to finish off the rally when he has worked his opponent out of position by baseline play. Often he would have Wong right out of the court and almost the whole of it to place a winner into, only to hit the net apparently in an excess of care to place the ball well out of Wong's reach. Yew's heavily cut strokes were helped to a very great extent by the state of the ground, which the late rain had made sodden and slippery.

All three sets went to Wong, 6-3, 6-0, 6-3, but the score fails entirely to give any idea of the lengthy rallies and the closeness of the play.

Ng Sze Kwong and his partner made a better display in the replay of their previous match. The ground was very heavy and the court not of the most even. Choa showed an inclination to go to places which must be rectified if he and Ng are to beat the Wong-Yanovich combination. Their opponents played a uniform game, doing nothing very brilliant and making a number of bad mistakes. Their services are the best part of the game. Several service aces should have helped them to a better score than they actually attained, but the ground strokes were lacking. With more practice and an improvement in the department that I have indicated they should go a long way in the future.

The score was 6-4, 6-3, 6-2 in favour of the Chinese. The Champion was in much better form and brought off some of those seemingly impossible saves which endear him to the crowd. His play is more steady now, and practice was evidently what he needed.

The star turn of the Civil Service Club, J. R. Wood and G. R. Sayer, put up a fine game against Dodwell and Mears. The match started late and was in progress when I left at a late hour. Wood and Dodwell both possess heavily cut strokes on the forehand, and kept the ball down very low. Sayer plays a more all-round game, and smashes at times with success. Mears is uncertain, hitting hard at times and missing horribly at others. He has a good smash, but did not dare to use it to the full for lack of confidence. In marked contrast to the majority of matches most of the play was cross-court, a circumstance to be put down to the style of stroke. A chap is not fast enough for the place of the court, and preterably on the backhand, to attain the maximum effect. Lobs were treated much too gently.

The first set seemed interminable. Neither side could take the needed two games after equality for a long while, and the score went to 12, all before Dodwell and Mears obtained the decision at 14-12. Unless they took the next two sets, and those quickly, it was obvious that the match would remain unfinished. After the loss of the first set Wood and Sayer ran away from their opponents with ease, Mears going to pieces and communicating some of his uncertainty to his partner. The Civil Service pair took the set at 6-1, making it one set, all and rendering a decision almost impossible. I do not know if the match was actually finished or not. I do not expect that it was.

BIG WEST POINT BLAZE.

HOUSE COMPLETELY GUTTED.

FIREMEN'S STRENUOUS FIGHT.

About 8.45 last night the Fire Brigade received a call to attend to a fire in Des Voeux Road West, near the Salmon Home. Arriving about ten minutes later they found the second floor of No. 297 well ablaze. Hoses were at once played on the flames, but owing to the breeze the flames had to battle with the stubborn flames until 11.50 p.m. In the meantime, the flames spread rapidly to the ground and first floors of the house and the ground, first and second floors of No. 209, the adjoining building, thus making the task of the fire-fighters doubly hard. In view of the futility of saving Nos. 207 and 209, attention was directed to the buildings on either side of the blaze and these were successfully saved. The inadequate water supply added greatly to the difficulty of the firemen's task.

The whole of No. 209 was gutted. While No. 207 was considerably damaged, the best part of the ground and first floors were saved. Damage was done by fire and water to property in No. 207 to the extent of \$6,000. The extent of damage done to No. 209 has not yet been ascertained. No. 207 is insured for \$7,000, and No. 209 for \$6,000. Fortunately the outbreak was discovered early and all the inmates of the houses concerned were able to make a timely escape.

GIST OF GOVT. GAZETTE.

New regulations for the licensing of "wireless" outfits on board ships are gazetted. Permission to install wireless on a local ship costs two dollars. Instead of charging "em, the government ought to reward 'em.

Mr. E. Suzuki, Japanese Consul, has resumed duty.

Mr. H. K. Holmes is appointed land officer, during Mr. Jack's absence on leave.

Messrs. V. G. Staten and H. St. E. Miller are "recognized" as vice-consuls for the U.S.A. (Mr. Miller was temporarily on the staff of the China Mail, and did some excellent work for us.)

Mr. W. L. Thomas is added to the register of medical practitioners.

The Leung Yick Steamship Co. is posted for disregistry.

Draft regulations for the Jitney Ordinance are gazetted. "All seats to be plain, not upholstered," suggest what the Knobs think good enough for us. They have omitted any regulation debarring a Kowloon resident from lashing a cushion to his coat tail.

Several Crown Land sales are notified.

the following evening at the Civil Service Cricket Club, whereat the qualifications of players will also come under review. It is possible that lack of grounds will curtail this season's list of competing clubs; but arrangements may be made to overcome the difficulties.

HONGKONG WOMEN'S GUILD.

MINISTERING CHILDREN'S LEAGUE.

LETTERS OF THANKS.

Mrs. Lewis, Hon. Treasurer and Secretary for the Hongkong Women's Guild and Ministering Children's League, has received the following letters of thanks—

196 Claremont St., London W2.
Mrs. Moss, Hon. Central Secretary and Treasurer of the Ministering Children's League, has much pleasure in acknowledging the kind contribution of £334. 16s. 3d. being the equivalent at the current rate of exchange of \$2,000 from the Hongkong Women's Guild and Ministering Children's League.

5, Robert Street, Adelphi, London, January 18, 1921.

Dear Madam,—I am directed by the Committee of the Royal Soldiers' Daughters Home, Hampstead, London, to acknowledge the receipt of £167. 8s. 3d., being the amount of a further donation from the Hongkong Women's Guild and Ministering Children's League, which you have so kindly sent in aid of the General Funds of this institution.

I beg that you will accept for yourself, and would ask you to be good enough to convey to the various members of the H.W.G. and M.C.L. Committee, our grateful and sincere thanks—I am, faithfully yours,

O. F. DAVIS (Major),
Secretary.

Admiralty House, Portsmouth.
January 19, 1921.

Dear Madam,—I have much pleasure in acknowledging the receipt of a draft for £157. 8s. 3d. being a contribution to the Trefalgar Orphan Fund from the Hongkong Women's Guild and Ministering Children's League, and shall be glad if you will convey to the members of that Institute my sincere thanks for their generous contribution.—Yours faithfully,
(Sgd.) ARTHUR CALTHORP (Admiral).

ORPHAN HOMES OF SCOTLAND.

Bridge of Weir.

January 18, 1921.

Dear Friend,—At the beginning of another year we are greatly cheered by the renewed help you have forwarded from the members of the Hongkong Women's Guild and Ministering Children's League on behalf of the fatherless little ones under our care. I hope you will convey to all who have shared in this splendid gift of £54.4s. 4d. our very grateful thanks, and assure them of our heartfelt appreciation.—With every good wish, I am, yours in behalf of the children,
(Sgd.) MARY QUARRIES.

CAPT. FRYATT MEMORIAL FUND.

The Arcade, Liverpool.

January 18, 1921.

Dear Madam,—I am in receipt of your letter of the 7th ultimo enclosing draft for £167. 8s. 3d. being a contribution from your League to the Capt. Fryatt Memorial Fund.

I have much pleasure in enclosing receipt herewith, and I beg to state that I have placed this sum to the credit of the Children's section of the Fund, as on previous occasions. I find, on going into the matter, that we have received from you now no less than £1,254. 5s. 9d. and desire again to express to your Committee and yourself our most grateful thanks for all you have done in contributing such magnificent donations to the Fund. These donations have enabled us to do an enormous amount of work in assisting the widows with the education and maintenance of their children and, as it happens, this particular section of our Fund had got very low at the time that your welcome contribution arrived.

If at any time your Committee would like to have some particulars of the great number of cases in which their contributions have enabled us to render assistance, we shall be pleased to send them.—Yours faithfully,
(Sgd.) T. W. MOORE,
Hon. Secretary, Capt. Fryatt Memorial Fund.
